Shared Hosting Solutions

WHAT IT IS: ODI offers"all inclusive" shared web hosting plans. This means there are no 'a la carte' charges based on the size of your site, the traffic (visits) to your site, the number of orders taken, etc. You pay one FLAT FEE and your bill never varies. The prices below are based on an annual contract and billing. Options are also available for quarterly billing. Each hosting plan includes:

- Free e-mail address(es) (Qty varies by plan; additional email bundles available - see below).
- Auto e-mail forwarding & email responders
- Up to 2Gig of web space to use at your convenience
- Unlimited FTP access to your website
- Automated localized server backups
- Extensive Firewall & Security protection

Choose the plan below that best fits your needs. Not sure which solution is best for you? Contact us directly. Our customer service representatives would be happy to assist you personally.

OPTIONS:

HOSTING PLANS

Personal Plan - $19.95 mo
If you have a small personal website at an attractive price, then this plan is the answer. The **Personal Plan** can be a great 'starter' web hosting plan, and comes complete with a free email account and our award-winning service and support.

Business Elite Plan - $34.95 mo
ODI's **Business Elite** Hosting Plan is the choice for those requiring full business services, including the most advanced application support: Cold Fusion, SQL and e-commerce solutions. The latest version of ColdFusion provides our developers with access to more features such as flex integration into applications, and provides a true development platform where we can build a robust application quickly. The plan also includes five email accounts & automated localized backups.

Low-volume Performance Plan - $129.95 mo
ODI's **Low Volume Performance** Plan is the choice for those requiring more extensive speed and storage from their web server. This 'step up' from a standard business plan is ideal for those who anticipate higher levels of traffic and/or whose sites include extensive dynamic features which perform best using more processing & bandwidth, but aren't yet ready to utilize a full dedicated server.

E-MAIL BUNDLES
Add more email accounts as needed with these email bundles:

- 5-Email Bundle - $6.95 mo
- 10-Email Bundle - $9.95 mo
- 25-Email Bundle - $19.95 mo
